Chic And Elite Come To Town

At the new Crescent Heights Kitchen & Lounge, husband and wife team David and Mariah McIntyre will feature innovative California modern cuisine focusing on artisanal and seasonal ingredients in a chic downtown setting. Chef David brings ten years of experience working in some of Los Angeles' top kitchens including Wolfgang Puck's Spago and

Cut, along with Joachim Splichal's Patina. "We created Crescent Heights Kitchen & Lounge as a place where spectacular local ingredients, affordable wines, and fantastic service all come together," says David. "We hope Crescent Heights can add to the booming downtown scene and become a neighborhood staple." The menu will comprise small bites, charcuterie, cheese, appetizers, entrées, and sides. Savory small bites include Kobe Beef Sliders with Garlic Aioli, Pickle and Onion; Popcorn Shrimp with Herb Remoulade and Tartar Sauce; and Grilled Crostini with Roasted Garlic, White Bean Puree, and Sundried Tomatoes. Cheese and charcuterie choices will demonstrate David's passion for unique purveyors from near and far. (619/450-6450, www.crescentheightssd.com) — Maria Desiderata Montana
